Theft Protection

Just like your Volkswagen, this one's a keeper.

When thefts happen, your insurance policy may not cover your loss completely. If your insurance company follows common industry practices, they'll only cover your vehicle's actual cash value at the time of the theft. That means you'll be responsible for other expenses such as your insurance deductible, various fees, sales tax, and down payment for your replacement vehicle.

Fortunately, Volkswagen Theft Protection provides you a theft-deterrent and identification product that helps minimize your losses, plus a Limited Warranty that gives you up to a \$5,000 benefit.¹

Theft Protection benefits:

- Distinctive theft-warning window decals used to deter theft
- Vehicle marked with traceable identification codes used to identify the owner of a recovered vehicle
- Up to \$5,000¹ Limited Warranty Benefit if the theft-protection product fails to prevent the theft of the vehicle and the vehicle is declared a total loss because either the vehicle is not recovered or it is recovered but damaged beyond reasonable repair (availability may vary by state)
- Coverage for six (6) years
- Transferable for a \$50 fee if you sell your vehicle to a private party

Protect your investment:

The following illustrates how the Theft Protection Limited Warranty Benefit can help cover outstanding out-of-pocket costs if your vehicle is stolen and is declared a total loss.

Insurance deductible	\$1,000
Down payment	+ \$2,000
Replacement vehicle costs (sales tax, other fees)	+ \$2,000
Your potential expense	= \$5,000*
Theft Protection Limited Warranty Benefit	- \$5,000
Amount You Owe	\$0

*Approximate costs; your actual costs may vary.

This example is for illustrative purposes only. Actual Limited Warranty Benefit calculations will vary based on specific circumstances.

Coverage exclusions may apply²:

- Vehicles stolen outside the United States, its territories, or Canada
- Vehicles stolen when unlocked or with the keys inside
- Vehicles stolen by family members or other people with access to the vehicle's keys

The theft-deterrent product is permanently installed on the covered vehicle and is therefore noncancelable.³

¹ If purchased as a CPO/pre-owned vehicle, the Limited Warranty Benefit will be the lesser of \$5,000 or the Actual Cash Value of the vehicle on the date of loss.

² Additional exclusions may apply. Please consult your Limited Warranty for specific coverage details, including limitations and exclusions.

³ Please consult your Limited Warranty for complete cancellation rules, including state-specific cancellation rules.
